

H11 PLATINUM WHITE 4000K

Product Description

Prestigious white colour - Colour temperature will make your car more stylish. Beautiful clean white light giving up to 70% more light than standard halogens. Lunex halogen boosts your visibility with up to 30m. This allows you easily notice obstacles and other potential dangers on the road than most headlamps.

- Up to + 70% more light
- Up to + 30m more distance
- Up to + 35% whiter light
- Fully road legal

Lunex halogen bulbs produce up to two times more luminous power than standard bulbs, thereby improving driving safety in all conditions, provide maximum visibility. They last far longer than standard bulbs. The light they provide is more intense and offers a consistent, clearly defined beam.

Unique patented packaging to ensure reliability of the product transport as per picture above.

UV filter – extended the lifetime of bulbs - increase the life span.

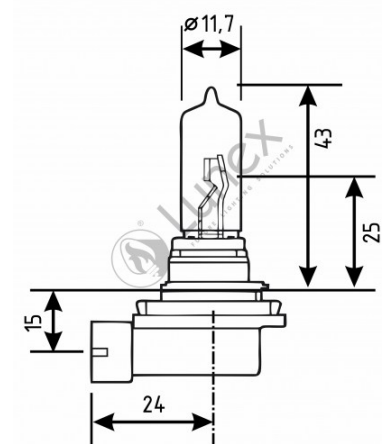

HQ UV Quartz Glass is a very strong glass, resistant to extreme temperatures and vibrations, eliminating the risk of explosion. UV quartz glass emits a stronger, cleaner light.

Simple to use, no need to change the lamp line and easy installation (plug in & replace stock light bulbs).
